### Useful information for new users

1. When you return your reply form, please ensure your mobile number and email address is included. You will be emailed confirmation of your seat on the bus and the bus operators need your mobile number as they operate an emergency SMS system in the event of any problems (i.e. if a bus is delay because of roadworks or an accident).
2. If you have any questions about the exact location of the pickup points, please contact BCT direct and NOT the school. They can advise exactly where you need to be.
3. Please be at your preferred stop **at least** 5 minutes before the scheduled time. The driver will have the name of your child/children on their user listing.
4. If you do not intend using the service on the very first day of term, **please let BCT know well in advance**. In any event, please inform the driver or BCT if at any time your child/children will not be on the bus on any day.
5. Collection points at the end of the school day are in the Belmont driveway for Belmont pupils and outside the main car park gates for Mill Hill pupils.

### Note for Belmont pupils:

For early departures, children are to wait in the library. They will be collected from the front door.

For late departures, children go free into late room and driver collects them from there.

Pupils should be at these waiting at least five minutes before departure time as buses will leave promptly at the scheduled departure times. If a pupil will not be on the return bus, please inform the driver on his mobile in the first instance or call BCT's offices. PLEASE DO NOT CALL THE SCHOOL AS THIS CAUSES UNNECESSARY DELAY.

6. Belmont pupils using services that depart late (5.45 pm) can use the Belmont Late Room service free of charge. Details are available from Belmont School offices.

7. With the number of new pupils using the service and the inclusion of new stops, please be aware that times may be subject to change as the routes "bed in". Your patience and understanding is appreciated as it is inevitable that the routes need to settle. If you have any cause for concern, please contact John Quinn at BCT.

We hope you find the service useful.

# Important note to all parents

## Lines of Communication

In the event of an unexpected change to the use of normal service or cancellation due to sickness, etc. or if pupil/s will not be using the bus on any particular day, parents are asked to contact the relevant driver as soon as possible by mobile phone in the first instance. If this is not possible, parents should call BCT's office which is open from 7.00 am during term time. In the event that neither the driver nor BCT's office can be reached, parents should call the emergency number. **PLEASE DO NOT CALL THE SCHOOL. BCT HAVE THE DRIVERS AND VEHICLES ON THE ROAD AND CAN ACT IMMEDIATELY - CALLING THE SCHOOL WILL ONLY CAUSE UNNECESSARY DELAYS.**

Parents are advised **not** to discuss any requests for changes to pick-up and drop-off points/times with the driver. Please direct these queries to BCT's office in the first instance. **If you have any queries regarding exact pick up/drop off point locations and times, please contact BCT and not the School.**

## Evening drop off Policy

In the event of a parent not being at the appropriate drop-off point for their child, the BCT driver will attempt to make contact with the parent by telephone.

If, after ten minutes, no contact has been made, the driver will continue the route and drop off the rest of the pupils. He will continue to try and make contact with the parents by telephone.

If there has still been no contact with the parents, the driver will transport the pupil back to Mill Hill School and take them to Collinson House, Wills Grove.

All BCT drivers will be given the following contact details for Mr Peter Lawson, Housemaster, Collinson House, Mill Hill School who will take responsibility for the child until such time as the parents have made contact.
